

Thank you for your donation to Autism NI. We really do appreciate you supporting us in this way.

Your support will help us continue providing invaluable services including Early Intervention, Family Support, our Helpline, accredited training, and lobbying.

With over **35,000 autistic people** in Northern Ireland, it is vital that we continue to support our vibrant autism community, and campaign for autism acceptance within society. Regular giving is the best way you can make a difference and support Autism NI, to help us grow our services and to help more autistic people.

Here is how your monthly donation will help:

- **£10** will provide a 30 minute Helpline call for an autistic adult or family member.
- **£20** will provide a family with a tailored information pack.
- **£30** will provide a one-hour advice session for autistic people and their families.

“We honestly cannot thank Autism NI enough for all the help and support they have given our family. We received direct home support for our daughter, access to courses, advice and so much more!”
